God

32 1 3

Chapter 1 by John Maguire

God came down. He didn't just visit. He didn't just come to say "hi", but He came to live with us as one of us. He became one of us. When He left us, He was still one of us. Now no one knows where He is. Is He in us? Is He among us? What does God look like? Does He have a smell? Does He like to play and have fun? How can I get there? These are questions this poses for the human being. These are the questions that we must answer to find the meaning in life. Otherwise, life is meaningless. The story goes on, with meaningless life and meaningful life. The choice is yours, choose which way you will. Write the next chapter and let's see where this journey takes us.

Chapter 2 by SaintSayaka

Upon his return, God flopped into bed and watched three seasons of Bob's Burgers. That reminded him of the good in humanity. Because what he had seen down there? It really made him hurt.
